P O Box 50, Bronkhorstspuit, 1020
Reg. 2015/270077/08

Dear Valued Member,

Herewith an overview of what the Chamber offers as well as some important information.

Overview

The objective of the GBBC is to promote the interests of business within the greater Bronkhorstspuit, to facilitate business opportunities, provide information and advocacy services to stimulate a business environment conducive to business growth and the development of the local economy.

Why join the Greater Bronkhorstspuit Business Chamber

The GBBC represents the business community of Bronkhorstspuit and the surrounding areas in the formerly Kungwini Local Municipality. It speaks to local, provincial and national government. Its representations are widely respected within the context of excellent relationships. Forum meetings, at which business issues of the day are discussed, provide members with the opportunity of participating in this advocacy process by expressing their views and thereby having input into the formulation of GBBC policy.

Benefits

- *Facilitation of business relationships*
- *Training in business insight*
- *Linkages with local and international business support agencies*
- *Enhance the profile of your business*
- *Networking (banquets, Business Network, Chamber Lunches, Funs Run, Golf, Roundtable Network, Small Business Network, etc.)*

Vision

To be the benchmark business chamber in Tshwane/Gauteng and ranked amongst the top 10 nationally by 2020.

Mission

To provide a platform which promotes progressive economic growth through mutual partnerships on behalf of members, stakeholders and the greater Bronkhorstspuit community.

Value Offering

We are committed to serving our members and are passionate about economic and enterprise development. We undertake to listen and to respond, to our members needs and to positively pursue innovative solutions to business challenges for the betterment of the region.

Objective

1. To promote the conduct of business by the members and to promote their interests;
2. The development of the town and surrounds as a prime locality for investment.
3. The establishment and maintenance of constructive partnerships.
4. The establishment of a vibrant business network.
5. The development of the town and surrounds as a destination of choice for tourists.
6. The creation of employment opportunities.
7. The promotion of best practice in business.
8. The promotion of entrepreneurial enterprise and small business, in particular.
9. To settle or assist in the settlement of commercial disputes by arbitration or otherwise;
10. The provision of relevant services, guidance and information
11. The facilitation of Black Economic Empowerment.
12. The effective representation of the views of business.
13. To raise funds by subscription or any other lawful means;
14. The financial sustainability and improvement of the Chamber.
15. To participate on **a non-party-political basis** in the activities of the CHAMBER and Associations created for similar purposes and to undertake projects desired to further interests in the local community;

Memorandum of Incorporation
