It has been indeed a great year as far as achieving the establishment of the Chamber is concerned. We thank one and all again for your support and dedication by investing your time and efforts to contribute in making the GBBC see the light and willingness to work with us to achieve our goals.

A New Year is always special to all; it is a great symbol of new hope and new beginnings and there are optimistic possibilities waiting for the GBBC. We have many projects lined up this year and we are confident that, with your incessant dedication and determination we will be able to reach for the stars. We thank you all for your enthusiasm and hope this relationship continues as we achieve success together.

This New Year may start off with some uncertainty as we do not have the crystal ball on the economy; but we are sure that if we stay united and resolute to make it work, our organization will surely succeed and climb another notch on the ladder of making a difference in the greater Bronkhorstspuit, Region 7, City of Tshwane.

Hence, the GREATER BRONKHORSTSPRUIT BUSINESS CHAMBER looks forward to your full co-operation to weather any storm that we may face in 2017 and we embark on a successful year together, no matter what comes our way.
